The Mercantile Athletic Federation (MAF) which promoted athletics for over a decade in the mercantile sector became initiative in 1976.

This is on behalf of the MAF, I the undersigned, serve as the president and we are now in the process of raising funds to “Kreeda Saviya” that is being organized with a view of helping new athlete by donating sport items. This event was successfully organized in last year and this is our second attempt in giving hands in need.

For this exercise, the members and I have been working to raise funds that will allow us to buy deck shoes, running shoes, running kits, supplements and bags

We would be grateful if you join hands with us in this endeavor and we would like to display your advertising materials at prominent places in return for your sponsorship of the “Kreeda Saviya”. I am sure that this agreement would be one that is mutually beneficial to both parties involved.

Your donations can be credited to the under mentioned account which is open solely for this purpose and I hope you would consider this proposal favorably.
